Second Lockdown Notice

The UK Government has decided to implement a second lockdown in England from Thursday 5th November 2020 which includes restrictions on places of worship.

Therefore the Masjid will be closing after Esha on Wednesday 4th November for all daily and Jumu'ah prayers until the 2nd of December when the lockdown is expected to be eased.

We intend to broadcast as many of our regular services over the Masjid Transmitter in-sha-Allah so that our community can listen and benefit at home on their receivers, the Madrasah will be delivered by online classes.

Refer to our website for regular updates and listen out for announcements via our Mosque broadcasting system and finally please continue and donate generously to assist with the Masjids finances.
